Northwest Ohio Health  
Information Management  
Association's 2010  
Coding Roundtable

“HIM with Hospice”

**Location:**

**Healthcare's Auditorium**

Paramount Healthcare is located at:  
1901 Indian Wood Circle  
Maumee, OH 43537

**Directions to  
Paramount Health Care:**

Travel east on Dussel from I-475 down to Ford. Go North on Ford and follow all the way down. At the stop sign, Ford will dead-end into Indian Wood Circle. Continue straight into Paramount's driveway (Paramount will be the brick building directly in front of you). Guest parking and the main entrance are located in front of the building.

**Meet our Speakers:**

**Kathy Shock, BS Ed**

Is Director of Health Information for Hospice of Northwest Ohio. During her 15 years at Hospice, the HIM Department has grown to a team of 12 staff members, managing records for 440 patients daily from three homecare offices and two inpatient Centers. She serves on the Cerner Core Team, Leadership Forum, Clinical Council, PI Committee and HIPAA Team.

**Dana Hacker, RN, CHPN**

Is a Hospice Educator with 14 years' experience in hospice care, 9 of them at Hospice of Northwest Ohio. She has worked as a nurse in Perrysburg Inpatient Center and has been instrumental in training Hospice staff to use Cerner BeyondNow software, our EMR, implemented 6 months ago.

**Angie Baltzell, RHIT**

Is a graduate of Mercy College of Northwest Ohio and is currently pursuing a Bachelor's degree at University of Toledo. She came to Hospice of Northwest Ohio 7 years ago as an HIM Analyst and is a member of the Performance Improvement committee.

**Certified Coding Professionals**

A team of certified coding professionals will also be available to answer questions regarding coding scenarios

**This seminar is counted for 2 Continuing  
Education Units through the American Health  
Information Management Association (AHIMA)**
